1.2.13
a Lesson in the University of The New Covenant
Theodore Cottingham, January 29, 2004. About 3 am.
www.NewCovenant.me

1. Flow, flow, flow? Who will let Me flow, flow, flow to My Mine? Who will receive My words? Who will but open to Me enough to allow Me to pour Myself into, into, through, into and through, repeatedly, consistently, flowing to all who I want to flow to?

2. Flow Ted, flow, flow, flow reader-hearer, flow reader, flow hearer, flow young and old, flow now and I mean now, today, this day, this very day—your sunrise-sunset. Flow and let Me flow and fear Me not, fear Me not, please quit fearing Me in the stillness that stills your ability to hear Me and realize and know I am speaking to you.

3. Would I not rather have you open to Me and letting Me flow, fearing your forfeiture of your ability, your potential, your demand on My command, than to have you fear Me in the fear that paralyzes rather than stabilizes?

4. There is right fear and correct fear and fear that is necessary for your understanding and growth in Me—to know who I am and what I do and how I operate. There is fear that is understanding—true understanding, true understanding, TRUE understanding. And there is fear that is the opposite, the antithesis, which stills, robs, destroys, perverts, and controverts the justice of My equity, My truth, My truth, My truth to every person.

5. So many so shallow, fearing fear and fearing the fear of ridicule and the fear of fear more than the fear of My wrath, remaining so shallow. Who would fear the one they most love, fearing in the fear that prevents them from even coming to Me?

6. Do they love Me most, most, most of all?
7. Am I the precious one in their lives, the precious one, THE precious one in their lives?
8. Or am I a myth, a source of conventional wisdom, founded on social conscience or humanitarian concepts and precepts?

9. Who am I Ted, who am I reader-hearer? Who do you say that I am? Who do you say that I am? Who do you say that I am? Answer Me, answer Me, you, you, you right now, answer Me right now, answer Me out loud in words.

10. Who do you say that I am?
Who do you say that you are?
Who do I say that you are?

Answer Me, answer Me, answer Me, for you, you everyone must answer these questions and answer them you will, you do, every single day. Every single day you arise and answer these three questions in your mind, your thinker, your thinker/mind

device. And every single day you answer these three questions in your spirit, your soul, your spirit/soul, given to you by Me, that will arise or descend, at the end, at your end.

11. Arise or descend, arise or descend, arise or descend even now Ted, even now reader and hearer and those who wonder and ponder and remain so fearful of fear—paralyzed, fear of being analyzed, fear of being called heretic or goofy, fear of this, fear of that, fear, fear, fear.

12. Who will let Me flow in this day, in this day, in this very day? Sonrise with no Sonset for those who will let Me flow to them, through them, this day, this season.

13. So many know me so well Ted, who have never let Me flow through them like this, releasing Me to flow in a stream, in a stream, through them to all who will receive, and all who I will take their words to, their words I gave them.

14. De-fearing My body I am.
De-fearing My body you are.
De-fearing My body, I call you to do, more, you, and every single one who but will, who but will, who but will answer these three questions in truth—to let Me flow.

15. Am I a plaything that I should be prescribed to? Am I a thing in the context of your things? What am I, who am I, answer Me and answer Me well, for out of those answers you eat, you breathe, you eat of Me and breathe My life, or you eat and breathe of your control, you constrict, and forfeit your privilege as well as My callings.

16. Your book, your book, your book of common prayer that you are arising and bringing forth from My disciples, oh Ted, I shudder, I shudder, I shudder with absolute delight and joy. I shudder not like you shudder, I shudder in no fear for I know no fear. I Am. I Am knows no fear. I am I Am.

17. At the end, at the end of all things for every person in this their physical life, they will know what they could have had and operated in. They will know, they will know, they will all know. And Ted, oh, oh the responses, the agony for some, the fear, the loss, the abandonment, the realization of who I am, who they were—who they could have been, what they could have operated in, so preciously, given to them—way made by My blood, revealed to them now, oh, how sad—forfeited in fear.

18. That's why the new generation Ted, and it's not of this world, and no one can lay claim to My new generation, My new generation, My new generation of generals and admirals and captains and lieutenants and people of Me, unashamed of Me, constricting Me not, but letting Me flow in power and freedom and meekness and honoring all those around them.

19. I flow on honor, I flow in meekness, I flow in and on My Spirit, in and on—one, not separated, one. That's why Ted, every time one acts in dishonor and untruth, separation sets in and fear increases—every time, every time, every time Ted—every single time.

20. The fruit of My spirit is plain, made plain in My Word, and exists therefore in Me and is a by-product of Me, inextricably linked to Me and in Me so that Me comes out of Me as Me—I—increase in each person.

21. As I increase honor increases—honor, honor to and for every person.
22. As I increase fear decreases—fear which forfeits and paralyzes and brings death, death of vision, death of potential, death of My design fabricated into the layers of every single person.

23. As I increase mammon decreases—I supply, as I always do.

24. Who do you say that I am?
Who will let Me flow?
Who will let Me do what I want to do in unconditional surrender to the Most High this day?
Who will let Me be Me?
Who will let Me define Me, to them, teaching them at My knee, rather than the knee of public opinion, conventional "wisdom," or religion?
Who will let Me flow and not be interrupted by death, by life, by cataclysmic events in and around them?
Who will let Me flow?

25. My new generation Ted, my new generation who fears Me in fear correctly rather than fear that is false, fear that is untruth, fear that facilitates un-life rather that fear that brings true life.

26. Let me flow and never restrict Me again.

27. My pen flows to My penmen now, My new generation of Me-seekers, free-ers who will set others free and be free to let Me say and do what I want to say and do, and freedom experience in doses and realms never even before experienced—but waiting, waiting, waiting for the entrepreneurial in Me, risking all to follow Me, defining Me as who I really am, THE I AM. And I am I Am.

28. Technology exists for Me—use it. Capitalize on every asset of Me—truth revealed, strategic scholarship revealed—valued, implemented, unified in My forces, for Me, for My purposes, for My Mine, of every label Ted, every label, every single label—let Me flow.

29. Shall the clay say to the potter fashion Me thus? Then why do you say to Me when you will let Me flow, when you will do this, and when you will do that? Am I not there in you, with you, wanting to flow wisdom to you in every single situation, if you but let Me, and Me flow to all around you who will but receive Me?

30. Shall the clay say to the potter fashion Me thus?

Who do you say that I am?
Who do you say that I am?

Come now, who do you say that I am?

31. What do you think I am doing?
What am I saying, what am I doing this day?
Who do you think you are, and what do you think I want to do with you, through you, to those around you?

32. Who do you say that I am?
Answer Me this day, and let Me flow.
Who do you say that you are?
Answer Me in truth—mammonized no more.

33. Who do I say that you are?
Answer me and find life abundantly, in truth, and no fear.

34. Arise this day the arisen and arisable and usable-by-Me, unafraid, courageous even withstanding all religious forces, arising and letting Me use them.

35. Say who I am.
Say who you are.
Say who I say you are, and let them be one.

Fearless—paralyzed no more, constricted no more, religious-ed no more—freedomed, freedomed, freedomed in Me—released into freedom, the freedom that I am and the freedom that I operate in and the freedom that I do all things in—I now impart to and into the impartable-to, the receivable-in-Me, the fearless, those who want Me and Truth more than they want respect and religion—respect of man and controlling systems, and religion which implants fear rather than destroys it.

Arise, freed, truth-ed, fearless, fearless, fearless, and let Me flow.
Thank you.

36. Say who I am, say who you are, say who I say you are—and let them be one.
I thank you.
I Am thanks you.
I Am flows.
Thank you.
Flow, flow, flow Me to My Mine, please, all of you who but will. Please.
Thank you.
Thank you.
I Am thanks you.
